Memorandum To. ~~Director~~

MEMORANDUM FOR: Mr. Glenn Rounsavall

SUBJECT : Recent Thoughts on DAZ

25X1B4d

1. Attached are two photographs of the Belarus tractor. One (information dated 1954) shows the term Belarus printed vertically down the front of the radiator, the other (information date unknown) shows no Belarus indicator but a monogram MZ (Minsk Tractor Zavod) at the front of the hood. It may be that the monogram is left off tractors produced at military facilities. Request photos of DAZ tractors or description of radiator and hood by appropriate sources.

3. We are still at odds within the Task Force on the issue of missile production at DAZ. We would appreciate ~~some~~ informal ^{some} stating your personal position on the following, plus any applicable dissenting views:

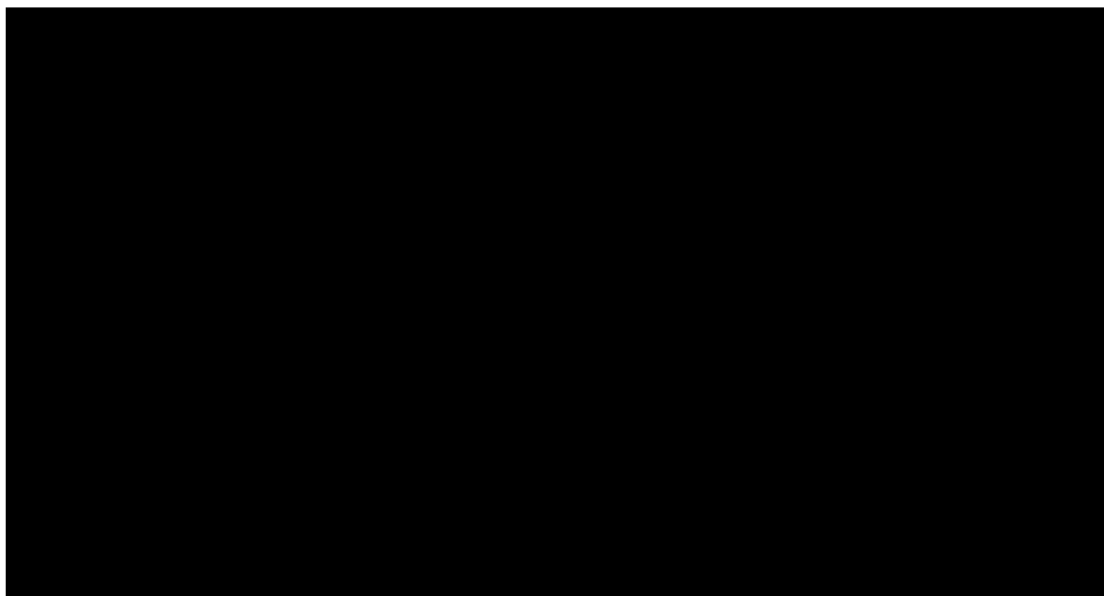

- in this
some channel
CF/jw*
- a) are missiles produced at DAZ
 - b) if so, which missiles (by range) and give date of production initiation
 - c) were engines or missiles produced in the 1951-54 period
 - d) which buildings in the entire DAZ complex (including) are used for production of missiles, engines, tractors, refrigerators, other.
